IN RE: Application of
Invenergy Thermal Development LLC's
Proposal for Clear River Energy Center

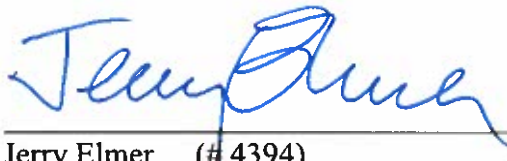

Docket No. SB 2015-06

CONSERVATION LAW FOUNDATION'S
FIFTEENTH SET OF DATA REQUESTS DIRECTED TO INVENERGY

Request 15-1. This Data Request pertains to the November 10, 2017 letter from the R.I. Department of Environmental Management Office of Water Resources to Bryan Schueler, Executive Vice President of Invenergy (November 10 DEM Letter). The November 10 Letter was also addressed to Algonquin Gas Transmission LLC and National Grid. The November 10 DEM Letter included: (a) Biologist Review Comments, enumerating 20 separate unaddressed concerns; and (b) Engineer Review Comments, enumerating an additional 30 unaddressed concerns. In both cases, those numbers do not include sub-parts of separately enumerated items.

- (a) For each of these 50 separate items, please state what the current status of that item is.
(b) For each of these 50 items, please provide all correspondence since November 10, 2017, among or between Invenergy, Algonquin, National Grid, and DEM addressing any of the enumerated matters.
