

STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS
ENERGY FACILITY SITING BOARD

**In Re: INVENERGY THERMAL
DEVELOPMENT LLC'S APPLICATION
TO CONSTRUCT THE CLEAR RIVER
ENERGY CENTER POWER PLANT
IN BURRILLVILLE, RHODE ISLAND**

Docket No.: SB-2015-06

**TOWN OF CHARLESTOWN'S
NOTICE OF WITHDRAWAL AS INTERVENER**

Now comes the Town of Charlestown ("Charlestown") and hereby respectfully files this notice of withdrawal from this proceeding on the basis that the applicants in this matter, Invenergy Thermal Development, LLC and the Clear River Energy Center Project ("Invenergy") filed a letter with the Energy Facility Siting Board, dated January 22, 2018, which in relevant part states "the Water Supply Agreement between the Narragansett Indian Tribe ("the Tribe") and Clear River Energy, LLC, executed on September 19, 2017, has been terminated and is null and void."

As the Order regarding the granting of Charlestown's Motion to Intervene in this matter, dated January 17, 2018, was approved, in relevant part, "for the limited purpose related to the Supplemental Water Supply Plan." The Supplemental Water Supply Plan, *inter alia*, referred to the Water Supply Agreement between the Narragansett Indian Tribe and Clear River Energy, LLC.

As the only basis for Charlestown's application for intervention in this matter was the introduction of the Water Supply Agreement with the Narragansett Indian Tribe, which has been "terminated and is null and void", Charlestown respectfully files this notice to withdraw as an intervener from this proceeding.

Respectfully submitted,
TOWN OF CHARLESTOWN
