**Re: *Invenergy Thermal Development LLC's Application to Construct and Operate the
Clear River Energy Center in Burrillville, Rhode Island***
Docket No.: SB-2015-16

Dear Dr. Bianco:

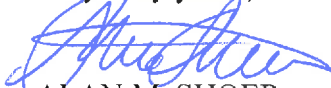

On behalf of Invenergy Thermal Development LLC and the Clear River Energy Center Project ("Invenergy"), please find enclosed:

- (1) an original and three (3) copies of Invenergy's Objection and Response to the Conservation Law Foundation's November 14, 2017 Motion;
- (2) an original and three (3) copies of Invenergy's Objection to the Town of Burrillville's November 15, 2017 Filing;
- (3) an original and three (3) copies of the Supplemental Testimony of John Niland (public/redacted);
- (4) one (1) copy of the Supplemental Testimony of John Niland (confidential);
- (5) an original and three (3) copies of a Motion for Protective Treatment regarding the confidential attachment to the Supplemental Testimony of John Niland;
- (6) an original and three (3) copies of the Supplemental Testimony of Ryan Hardy; and
- (7) an original and three (3) copies of the Supplemental Testimony of Mason Smith.

The supplemental testimonies concern updates necessitated by the ISO-NE's recent determination disqualifying the Clear River Energy Center Unit 2 from the Forward Capacity Auction 12, as further described in the correspondence from Invenergy, filed with the Board on November 1, 2017.

Please let me know if you have any questions.

Very truly yours,

ALAN M. SHOER
