Dear Ms. Wilson-Frias and Ms. Lucarelli:

This letter follows our telephone conversation of yesterday, April 14. At your request, I contacted Invenenergy's counsel. Both Conservation Law Foundation and Invenenergy agree that CLF's Motion to Compel and Invenenergy's Objection thereto, both of which were filed with the EFSB, may be considered to have been filed in the PUC, and the issues raised therein may be heard by the PUC.

Very truly yours,

Jerry Elmer
